

Boot Camp Information Sheet

Boot Camp is an intensive training designed to prepare women to be a Class Facilitator or Small Group Leader for the Healing Journey Class. The training will equip Class Facilitators to successfully begin this ministry in her church or neighborhood and lead the class each week. Small Group Leaders will be equipped by both instruction and experiential learning to successfully process women through the primary healing steps taught in the class. It is highly recommended that all new Class Facilitators and Small Group Leaders attend Boot Camp if at all possible.

From a Boot Camp Alumni:

"You must attend!! There is no way I would have had a clue about the dynamics of The Healing Journey had I not experienced Boot Camp firsthand. The teaching and mentoring Cyndy offers is invaluable. Now that I am facilitating my first class, I draw on my Boot camp experience as I encounter the many challenges of working with women on their healing journey." Cindy Blomquist
