

*Our ministry exists to glorify God by helping women experience His healing light and power in the dark places of their heart, mind and spirit by applying biblical truth.*

To our Beloved Supporters of HHLM:

Our goal in The Healing Journey Class is to equip people with the necessary truth and tools to successfully complete their healing process. That is exactly the reason why Lesson Eighteen is on “Freedom from the Enemy.” When we try to leave our captivity in Egypt and make our way toward freedom in the Promised Land, Satan is right there opposing us. To ignore this reality is to invite trouble.

Satan is a defeated foe. The battle has been fought and won; Jesus Christ is the victor and he alone holds the keys to life. So if Satan is defeated, why is he still effective in destroying lives? Why can he still cause so much trouble? Because we still choose to buy into his lies; that is always his key strategy.

He is constantly attempting to incite doubt, so that we will stop trusting the Lord, because he knows that as soon as we doubt God, we’ll pull away from him and, at that point, we’ll turn around and head back to Egypt. That’s what he’s after—inviting us back into his prison. He hates losing his prisoners. So when we determine in our heart and mind to believe God and leave the pitiful pit we’ve been in for so long, the enemy always puts up a fight beckoning us back. He never stops lying.

When we are equipped with the truth and apply it, however, we are guaranteed victory. *You, dear children, are from God and have overcome them, because the one who is in you is greater than the one who is in the world (1 John 4:4).* The battle is God’s, but we have a vital role. We have to stand firm in the truth: God is for us. He loves us and cares about us and will do anything necessary to save us, but we must trust him and believe his Word. He never leaves us defenseless; quite to the contrary, if we will call upon him, he will save us every time, no matter what fiery darts Satan throws our way.

- ✠ Please be praying for this ministry. We are experiencing rapid growth and diligently seeking the Lord’s wisdom as to how to structure the ministry to handle it. **We are asking the Lord to show us his vision for HHLM** for the coming year and beyond so that our steps will be aligned with his will.
- ✠ Please hold up every **student and leader in our current classes** asking the Lord to fight for them and completely defeat the work of the enemy against them.

♥ **Boot Camp:** We are now registering for the 2010 Boot Camp being offered June 25-28, here in Colorado Springs. Boot Camp is offered once a year for people who want to be Class Facilitators or Small Group Leaders in The Healing Journey Class. We would love to see new groups and classes launch this fall in order to be able to offer healing to more people. Specific areas where we have been asked to start a class are Denver, Grand Junction, and Monument. But because people are hurting everywhere, every city needs this class. Very soon we’ll have the registration information uploaded on our website, but it is available now by e-mail or mail.

♥ **Men’s Group:** Our first men’s group has now very successfully finished The Healing Journey Class! We have been very encouraged to see how well they did with this curriculum. A second men’s class is being offered here in Colorado Springs, although there are no details at this time. If someone is interested in being part of this next class, he (not his wife or girlfriend or mother) should e-mail Bryan Sherwood at [bcsherwoods@msn.com](mailto:bcsherwoods@msn.com) or call 491-7010.

Blessings,

Cyndy Sherwood
