2019
New York
Boot Camp Registration Form

Boot Camp is an intensive training designed to prepare incoming leaders, both men and women, to be Class Facilitators or Small Group Leaders for the Healing Journey Class. The training will equip Class Facilitators to successfully begin this ministry in their church or neighborhood and lead the class each week. Small Group Leaders will be equipped by both instruction and experiential learning to successfully process students through the primary healing steps taught in the class. It is highly recommended that all new Class Facilitators and Small Group Leaders attend Boot Camp if at all possible.
