

2023 Colorado Boot Camp Registration

Boot Camp is an intensive training designed to prepare leaders, both men and women, to be Class Facilitators or Small Group Leaders for Healing Journey and Freedom Journey for Teens. The training will equip Class Facilitators to successfully launch and lead this ministry in their church or ministry venue. Small Group Leaders will be equipped by both instruction and experiential learning to successfully process students through the primary healing steps taught in the class. It is highly recommended that all new Class Facilitators and Small Group Leaders attend Boot Camp if possible.

About the facility:

Breakfast, lunch, and dinner are included each day, as well as snacks and beverages. All linens are provided. The retreat center has a variety of room arrangements, and attendees will be sharing a room unless you opt for a single room. You may request roommates. Women will have separate areas from men. We can accommodate married couples in a private room.

Men and Women Welcome: Men and women will be together for the large group teaching times. However, women will work only in small groups with other women and the same for men.

From a Boot Camp Alumni:

"You must attend!! There is no way I would have had a clue about the dynamics of The Healing Journey had I not experienced Boot Camp firsthand. The teaching and mentoring Cyndy offers is invaluable. Now that I am facilitating my first class, I draw on my Boot camp experience as I encounter the many challenges of working with women on their healing journey." Cindy Blomquist
