

If you are considering joining us for The Healing Weekend, we want you to know that your health and safety are of concern and importance to us. We will take precautions to make this event safe for everyone.

Here is what you need to know:

- This will be a small event with limited registration, less than 25 people.
- Registrants can only book a double room if they are rooming with a family member or friend.
- Social distancing will be practiced.
- Unless someone is medically exempt, masks will be required in passing, but not when seated in groups. The chairs in our groups, however, will be distanced.
- Depending on COVID levels in January, a negative test may be required within a week prior to the event.
