## 2024/25 Leader Letter Week 27

To Healing Journey Leaders:

Lots of things are happening during these last few weeks of *Healing Journey*; it is an important time. As I teach Lesson 27, *The Battle for our Thoughts*, we are continuing to process through Healing Step 4. Just like on Weeks 17 and 21, there is a participatory prayer at the end of Lesson 27. This prayer will invite students to forgive an offender. Week 28 will be the last time to process Healing Step 4.

This is the week students begin writing the summary of their healing journey, pulling from their *Journal of Significant Thoughts*. Please give strong encouragement to students to do this last assignment. They have two weeks to prepare. Not only is it the **centerpiece** of Week 29, but it is a tremendous blessing to everyone (especially you!!) to hear how the Lord has worked in each person's life through the class. It does not need to be anything fancy; just a couple paragraphs or several bullet points is fine.

*We give thanks to you, O God, we give thanks, for your Name is near; men tell of your wonderful deeds (Psalm 75:1 NIV).*

Be sure you have your Super Simple Evaluations printed and ready to pass out on the break. Give students 5-10 minutes to complete it and then **collect them before they go** to their small groups. This feedback is for you, so feel free to tailor it to your needs.

Thank you for serving the Lord and leading your group each week. I appreciate what you do.

...Relax and enjoy the journey.

### *Tip of the Week:*

I will introduce the **Bible Reading Box** in Lesson 28 and invite students to begin using this. You can purchase these in our store. There are 2 options: a feminine and a masculine design. Place your order today. The cost is only \$5 each. We also sell Bible Reading Stones for \$20. This simple tool will revolutionize your daily reading and relationship with the Lord as he personally picks out the right Scripture for you each day. Check it out!

Blessings,

*Cyndy Sherwood*

*His Healing Light Ministries' Director*
