Leader Letter #12

To Healing Journey Leaders:

I am wondering if you can help me with something. Week 12 is the week we play the [Message from Cyndy or Bryan](#) video, in addition to the regular lesson on Hagar. I picked Week 12 for two reasons: it is a shorter lesson, making it easier to play the extra video without going over on time, and because it's a place in the class when everything is nicely settled in. It is fine, however, if you want to play it on a different week.

If you do not have the free "Message from Cyndy/Bryan" video, you can stream it from our website, or we can mail it to you. It is included in the Curriculum Kit and located in your DVD album along with lesson 12. If you have a flash drive, you will find it included there.

The 6-minute "Message from Cyndy or Bryan" accomplishes two purposes: it gives a short pep-talk, encouraging students to hang in there and get the healing they came for and it informs them about the ministry behind the class.

This is where I need your help: Please [carry the torch](#) for His Healing Light Ministries to every class and student. Encourage your students to prayerfully consider supporting HHLM, helping us to continue to serve hurting people and expand our outreach even more. Donations carry about half of our budget.

We can also do Electronic Funds Transfers and recurring donations! All you have to do is call us and we'll set it up for any amount and duration. Supporters can always go through their bank and set up donations through bill pay. And, as always, donations can be made on our website or mailed to us. It couldn't be easier!

Another way you can help is by bringing in samples of our other products to class on Week 12 (or any week) and take orders. You can go online (hishealinglight.org) and purchase the samples ahead of time, but many of you already have quite a few of our products. The items that students are most interested in include: Healing Journey DVDs, tote bags, Flip Books, my five books, T-shirts, journal, and tumbler.

"For I testify that they gave as much as they were able, and even beyond their ability. Entirely on their own, they urgently pleaded with us for the privilege of sharing in this service to the saints" (2 Corinthians 8:3-4 NIV).

Thank you in advance for helping to support HHLM and being a voice for us in your class.

...Relax in the Lord and enjoy the journey!

Tip of the week:

We launch Healing Step 1 in Week 12, the first of four prayers for healing. This step is a unique part of Healing Journey in that it gives students an opportunity to approach God for their healing before they may be ready to take steps of obedience or relinquish their wounds. Remind your students that we are simply asking the Lord to start the healing process in this step.

Blessings,
