

Dear Friends:

I am excited to be offering *Running with Horses* this summer. This 13-week study is for men and women who have a desire to go deeper with God and delve into some of the most challenging aspects of our Christian walk. The study deals with the sacrificial life, covering topics such as humility, unity with God, and servitude. It is geared toward those who have received some healing and are solid in their relationship with the Lord, and now want to live the life they were created to live.
