About the Leader: I am Robin Rock and I was able to complete two years of Healing Journey in person. After my first Healing Journey year I took an in person Resting in Jesus class. After the second year I did the Boot Camp in Colorado Springs and then Running with Horses on my own. Last year I did my third year of Healing Journey and did an apprenticeship with an online virtual leader. I am only part time at a physical location. Some of the year we are on the road traveling in our RV to different churches in the RV Volunteer Ministry.
