An Invitation For Those Who Thirst ...

Healing The Healing Journey Retreat is an opportunity to experience the steps of healing outlined in God's Word. We will walk through the different aspects of the healing process together and seek His individual and unique touch in our deep places of woundedness. God's light in our dark places is powerful and life-changing. Participants will have the opportunity to be in God's light and learn useful tools to access His healing. This retreat will be hosted and led by Sarah Bulmer and Linda Jones.
