- Running with Horses: \$30 Student Kit + \$25 Streaming = \$55

LEADERS:

1. First submit your class information by going to hishealinglight.org. Select Healing Journey/Leaders/Class Information Submission. Enter the information for your class. (Please remember to also submit your class roster on week #5.)
2. Call our office to get your code for the discounted streaming. You and your students will use the same code to make your purchase.
3. Choose an online meeting venue such as: Zoom, Goto Meeting, etc. If you pay for the service, you will have as much time as you need for meetings. If you choose a free service, it will be limited. So make sure they give you at least 60-70 minutes per meeting. One way around this is to schedule recurring back-to-back meetings.
 - NOTE: A monthly subscription to ZOOM costs around \$15 a month. This cost can potentially be shared with students. Churches and employers may also have a subscription with an online meeting venue that you might be able to use.

TO PURCHASE:

1. Go to hishealinglight.org.
2. For the materials: Go to the store page and purchase the Student Kit or Student Bundle.
3. For the streaming: Select your Bible study. Select streaming. Select "All Lesson Access." Enter the code you've been given to receive the reduced price.

1. To lead a virtual Healing Journey class, sponsored by HHLM, leaders must first attend Boot Camp and lead an in-person small group for 2 years.
2. There are no requirements for leading Resting in Jesus or Running with Horses.
