

2021  
New York Satellite Boot Camp  
Women & Men  
Registration & Information

Boot Camp is an intensive training designed to prepare incoming leaders, both men and women, to be Class Facilitators or Small Group Leaders for the Healing Journey Class and Freedom Journey for Teens. The training will equip Class Facilitators to successfully begin this ministry in their church or neighborhood and lead the class each week. Small Group Leaders will be equipped by both instruction and experiential learning to successfully process students through the primary healing steps taught in the class. It is highly recommended that all new Class Facilitators and Small Group Leaders attend Boot Camp if at all possible.

**Men and Women Welcome:** Men and women will be together for the large group teaching times. However, women will work only in small groups with other women and the same for men.

**From a Boot Camp Alumni:**

*"You must attend!! There is no way I would have had a clue about the dynamics of The Healing Journey had I not experienced Boot Camp firsthand. The teaching and mentoring Cyndy offers is invaluable. Now that I am facilitating my first class, I draw on my Boot camp experience as I encounter the many challenges of working with women on their healing journey." Cindy Blomquist*
