What
Women are
Saying

The Healing Journey Retreat for Women is a refreshing 3-day getaway for women who have completed “**The Healing Journey**” 29-week curriculum or “**The Healing Weekend**” 3-day event. Some find the retreat a helpful capstone. Others use it as a refresher course, to share challenges and victories, or to go deeper into personal discovery and revelation. It is a special time of reconnecting, and people are encouraged to continue walking out on their healing journey with the Lord.

The Retreat for Women takes place annually. Former students of “**The Healing Journey**” are invited to attend regardless of when they completed the class.

NOTICE: Retreats for women are exclusively for women who have completed, or who are currently taking, “**The Healing Journey**” or “**The Healing Weekend**.”
