

HIS HEALING LIGHT MINISTRIES

Dear His Healing Light Ministries supporters in Colorado:

Do you expect a state income tax refund for 2020? If so, would you be willing to donate all or a portion of your Colorado State tax refund to His Healing Light Ministry? We are an eligible 501(3)(c) organization, registered under the Colorado Charitable Solicitations Act (CCSA) for at least the last five years and in good standing and can receive charitable donates from state tax refunds.

If you would like to donate via your return just use the Voluntary Contributions Schedule Form DR 0104CH (10/29/20). Giving this way is simple, fast, and easy to fill out. Just enter the amount you wish to donate to the ministry on line 19, then enter our 11-digit state registration number (20093000730) and His Healing Light Ministries on the two lines below line 19 and submit the form along with your Colorado Tax return.

We appreciate your consideration to donate to the ministry in this way.
