Dear Class Member:

It has been a joy to have you in The Healing Journey Class this year. I hope you have begun to experience some healing and freedom in your life.

We are rapidly coming to the end of class and would like to get a little information from you. Included is a brief evaluation form. We are always seeking ways to improve the class and your input is valuable.

We encourage you to consider taking the class again. Most people do not complete their journey in just seven months and some find the continued support of being in the class really helps. If you would like to receive a registration packet for the next class (no commitment needed yet), please indicate below:

_____ Please put me on the call list and send me a registration packet when the next class is being offered.
